Community Planning Days

Transportation/Energy/Sustainability

Responsible for documenting the event(s):

- WORK WITH GREG FRANCESCHI TO RECORD FOR ECAT THE LARGE GROUP SESSIONS WITH ADDITIONAL FOOTAGE OF THE CHILDCARE AND GALLERY DISPLAYS
- DETERMINE THE BEST MEANS TO RECORD AND DOCUMENT THE FOCUS GROUP DISCUSSIONS
- ENSURE ALL DOCUMENTATION GETS IN THE HANDS OF THE CONSULTANTS TO BE SUMMARIZED AS PART OF THE MASTER PLAN

Photographs for PowerPoint and poster:

The purpose of the photographs is to illustrate or represent the broad range of issues your subcommittee is discussing. What challenges does Easthampton face? What models exist that might be applicable to Easthampton? Are there successes or strategies Easthampton can celebrate? What trends can be identified, positive or negative?

In addition to the video you intend to create for display and broadcast on ECAT, provide a range of still images (electronically preferably) that illustrate the key issues facing Easthampton today. These images, with captions articulating the issues, will go on a poster for display in the gallery on the Community Planning Day.

THE CHAIR SHOULD BRING THESE IMAGES TO THE MARCH 28TH EXECUTIVE COMMITTEE MEETING AS .JPGS ON A DISK (OR AS PRINTS TO BE SCANNED).

Jessica Schwartz will produce a draft poster to be reviewed at the April 11th meeting.
