

## 2015 CEDS NOW AVAILABLE

The 2015 Annual Update of the region's Comprehensive Economic Development Strategy (CEDS) is now available. The document is required by the U.S. Economic Development Administration to maintain the region's status as an Economic Development District and to document ongoing economic development initiatives.

The report also identifies eligible projects seeking federal grant assistance from the EDA during the upcoming federal fiscal year 2016, which begins October 1, 2015. The CEDS Report is available online at: [www.pvpc.org](http://www.pvpc.org). For more information, contact Lori Tanner at [ltanner@pvpc.org](mailto:ltanner@pvpc.org).
