## CAPITAL INVESTMENT PLAN Public Meeting Schedule

In the fall of 2015, MassDOT held Capital Conversations throughout Massachusetts to solicit public input for the preparation of the MassDOT Five-Year Capital Investment Plan (CIP) for fiscal years 2017–2021. This multi-billion dollar program makes long-term, multi-modal investments across the Commonwealth and covers all MassDOT highway and municipal projects, regional airports, rail and transit, including MBTA and Regional Transit Authorities as well as the Registry of Motor Vehicles. MassDOT will hold a series of public

meetings across the Commonwealth to present and discuss the Draft Five-Year Capital Investment Plan. Please join us as we present the Draft CIP plan, seek additional public comments, and answer your questions. **Your participation is critical to its success!**

If you are unable to attend a meeting, a copy of the presentation is available at [www.mass.gov/massdot/cip](http://www.mass.gov/massdot/cip). Public comment may be submitted by email to [masscip@state.ma.us](mailto:masscip@state.ma.us).
