## FAIR HOUSING COMMUNITY CONVERSATION/DINNER

The City of Holyoke is conducting an **Analysis of Impediments to Fair Housing Choice (AI)**. The AI is a review of barriers that affect the rights of fair housing choice. Public and private policies, practices, and procedures affecting housing choice are examined and serves as the basis for fair housing planning.

This document provides essential information to policy makers, administrative staff, housing providers, lenders, and fair housing advocates, and assists in building public support for fair housing efforts.

**As an active City of Holyoke resident, your input is needed!**

Input and comments from the public are needed and encouraged! The Pioneer Valley Planning Commission (PVPC) is the consultant on this AI on behalf of the City of Holyoke. PVPC will be hosting a public dinner and conversation about fair housing choice at the time and venue below and we hope you can attend!
