

WHAT ARE YOUR TRANSPORTATION PRIORITIES?

What are your priorities for transportation in Massachusetts? The Massachusetts Department of Transportation (MassDOT) is currently developing the annual Capital Investment Plan (CIP), that guides how we prioritize and fund local and statewide transportation projects, and we need your input. The CIP determines funding for new buses and trains, rail expansion, transit, paratransit, accessibility upgrades, roadway improvements, municipal projects, the MBTA and regional airports and transit authorities.

How does public input impact the CIP? Your input can inform project design and helps MassDOT understand the level of community support for proposed projects, ensuring that MassDOT's investments align with the needs and priorities of all Massachusetts residents.

Your community's transportation priorities matter to MassDOT and there are several ways to participate and voice your opinions. **All of these methods can be accessed through [MASS.GOV/CIP](https://www.mass.gov/cip).**
